

Sponsor a Donation Bin

and help change children's lives

Sponsoring a donation bin is a simple and easy way to give back to the community. If you have space outside of your business, consider hosting a Big Brothers Clothing Donation Bin! You give us permission and we do the rest!

Big Brothers of Greater Vancouver (BBGV) is a registered charity and community-based organization that has been operating in the Lower Mainland since 1957. We offer friendship-based mentoring programs for at-risk children in the community, to help them develop the confidence and skills necessary to make healthy life decisions.

Unlocking a child's true potential creates a future where anything is possible.

As a charitable, not-for profit organization, BBGV relies on community investment to ensure kids have what they need to succeed. Proceeds earned from the sale of donated clothing contribute directly to this important work. Bin sponsorship is an easy, no-cost way of demonstrating support and helping to change children's lives.
