

Host a Donation Bin

to fundraise for your school or NPO

Hosting a donation bin is an easy way to fundraise for your school or non-profit organization. If you have space outside of your school or organization, consider hosting a Big Brothers Clothing Donation Bin! You give us permission and we do the rest!

When you host a bin, each bag of donated clothes benefits your school or organization and helps Big Brothers' community kids as too!

Fundraise for:

- Field Trips
- School Supplies
- Special Events
- Dry Grads
- Playgrounds
- Programs
- Office Supplies
- Campaigns
- and more

Big Brothers of Greater Vancouver (BBGV) is a registered charity and community-based organization that has been operating in the Lower Mainland since 1957. We offer friendship-based mentoring programs for children in the community, to help them develop the confidence and skills necessary to make healthy life decisions.

"We have had a Big Brothers clothing bin in front of our school for the past year. It has generated almost a thousand dollars and has helped us keep our closets uncluttered. Our school has to raise funds for extra math, literacy, music, and sports programs to enhance the school curriculum for our students. This is by far the easiest fundraising program we have! The staff at Big Brothers are professional, positive, and easy to work with. I would highly recommend the clothing bin to any school or non-profit organization that is actively raising funds."
