Sponsor a Donation Bin

and help change children's lives

Sponsoring a donation bin is a simple and easy way to give back to the community. If you have space outside of your business, consider hosting a BGC Bigs Clothing Donation Bin! You give us permission and we do the rest!

Your support and clothing donations to **Big Brothers of Greater Vancouver** helps children build strong, healthy relationships, which creates long-lasting change.

Our community's children need stable positive influences more than ever. That's why our team at Big Brothers strives to support 1,200 children each year. When our children are emotionally, socially and physically healthy, everyone benefits.

Mentoring programs like ours can support the curbing of issues like bullying and crime, so that **children can grow into more resilient, more giving, and more compassionate adults.**

Proceeds earned from the sale of donated clothing contributes directly to this important work. Bin sponsorship is an easy, no-cost way of demonstrating support and helping to change children's lives.

“ we have had a gratifying experience and are fortunate to be involved in local charity efforts that benefit the community such as bin hosting and Spring Clean-up events. The bins are a great way for us to show our community involvement and Big Brothers does a great job maintaining the bin for us. They're quick to respond to any requests and we're happy to be a Donation Bin Sponsor.”
