GIVING TUESDAY

DEC 1

Big Brothers
OF GREATER VANCOUVER

Donate on December 1 and your \$ will be doubled!

Giving Tuesday is a global fundraising movement taking place each year after Black Friday. It's a time when charities, companies and individuals join together and rally for their favourite causes. In the same way that retailers take part in Black Friday, the giving community comes together for Giving Tuesday.

On Tuesday, December 1, it's an opportunity to ignite the potential that exists within every young person through Big Brothers. Donate to help us kick off #GivingTuesday strong!

Donate and your \$ will be doubled!

Donations made on Giving Tuesday will be matched by the generosity of The O'Sullivan Family up to the total value of \$5,000*.

Our B2Gold Big Brothers Golf Classic 2020 raised \$346,500!

[Watch our 2020 video here](#)

What a wonderful day on-course at the Shaughnessy Golf & Country Club for our annual B2Gold Big Brothers Golf Classic.

We would like to thank all of our sponsors, participants and volunteers for their support and for making this year's tournament a success.

We are especially grateful to B2Gold Corp. who has given us continuous support and generosity. We can't do what we do without you.

It looked different this year due to COVID-19 protocols, but it was a safe, fun and beautiful day on-course in the sunshine.

The funds raised during the tournament will help us continue to provide valuable mentorship programs to children and youth all over Greater Vancouver!

What is Strength-Based Mentoring?

Research has shown that children and youth who are able to successfully navigate life's challenges usually have a supportive adult influence in their lives. A mentor relationship can be just that! It enhances their strengths, resources and ability to thrive in the face of life's inevitable challenges.

A strength-based mentoring approach will focus on the identification, exploration, and use of strengths in children and youth to foster positive mental health outcomes at school, at home and in the community.

Read more on the role of a mentor and a strength-based approach below.
