Big Brothers January e-Newsletter

We've Moved!

New year, new (Vancouver) office!

When one door closes on Kingsway, another opens in Joyce-Collingwood.

We've moved and our new address is: **5118 Joyce Street V5R 4H1 - Unit 300**

Now, when you visit us at our more central location, just a hop and skip away from the local Skytrain station, you'll get to see the view from the fourth floor of the gorgeous North Shore mountains.

We're excited about this new change and we know you'll love it when you visit us.
Speaking of which, here's what you need to know for your next visit.

If you plan on swinging by or have an appointment at our new location, kindly check-in at the reception on the 3rd floor before heading up to our office on the 4th floor.

For our volunteers and families in Surrey, our Surrey office remains the same at: 7380 King George Blvd #102.

Thank you for your continued support and we look forward to welcoming you to our new space!

Please Welcome Our New Board Chair

Big Brothers of Greater Vancouver welcomed a new Board Chair, Fred Haiderzada, for the first time in more than a decade, in January.

Haiderzada, a volunteer Big Brother, seven-year sitting board member and life-long educator, now takes the reins of the non-profit near and dear to his heart.

"I am truly excited to take on the role of Board Chair at Big Brothers of Greater Vancouver. My vision for the future involves fostering even stronger community engagement, expanding our volunteer base and implementing innovative programs to ensure that every child in our region has access to the support they need to thrive," he said.

Mentoring Month

Speaking of this year, January is Mentoring Month!

To us every month is a mentoring month, but January gets a lil' bit of

special treatment so we start each year off with a bang.

This year we have a special feature of our graduating match, Fraser and Awen.
Join them on a journey to where their friendship first started at the McSpadden County Fair.

Watch their feature video here.

Fundraising Success

And now for some awesome news from over the winter break in 2023.

We raised more than $44,000 for youth mentorship programs during our Holiday Campaign.

THANK YOU!

Your monetary gift helps make a big impact for every Little in our programs.

If you want to become part of our support network in a sustainable way, monthly donations are the way to go.

Having direct support from our community and partners, independent from third-party and government grants, is the most secure and impactful way to support our programs and vision into the future.

Donate from as little as $1 per month to keep free mentorship opportunities for every child in our communities here.
